## President's Message by Dave Spiegel

---

Well, the Avon Park dance has come and gone, and it was very successful. It was great to see everyone and all the support for Janice and Johnny. We had beautiful weather and lots of good times. I want to give thanks to Joe Ski for playing at Wild Wings Cafe' while Jane Harrington was at Avon Park. I heard great reviews from the people who attended that Saturday, and speaking of attendance, we still had a great turn out even though a lot of us were in Avon park. I want to thank those who came out and supported Joe. We also want to thank him for accepting to play for Jane the two weekends while she was in Myrtle Beach.

Lucy DeCaprio has been busy with getting the TBBB shirts created. She will be bringing samples on Saturday nights at Wild Wings Cafe', and they will be hanging up by the table where we keep the flyers.

The Boogie committee is working hard to ensure we have a great Boogie dance this year. Please be sure to send in your registration so you don't miss out on our huge event.

Our attendance is increasing by the week. We recently had 5 new members sign up this past Saturday night at Wild Wings, which 3 of them were entirely new to the club and saw how much fun we were having and wanted to join in.

I'm hoping everyone is enjoying our Saturdays at Wild wings Cafe'. We're doing everything we can to ensure all your favorite music is played and of course we are open to any comments or suggestions. I would like to remind everyone that Doug Shaw is still playing at Jackson's every Sunday . See you all on the dance floor. David Spiegel
